

JAY JOHNSON & ASSOCIATES, LLC

COMMERCIAL VEHICLE SAFETY

We are proud to be the California Trucking Association's Safety & Compliance Training Seminar partner. We hope you will join us for the following training topics:

- **Reasonable Suspicion Training for Supervisors**
 - Supervisory employees are mandated to have a minimum of 60 minutes of training on alcohol misuse and 60 minutes of training on controlled substance use. This training will meet those requirements. (Title 49 CFR Part 382.603)
- **Sailing Through Your BIT**
 - This training seminar will cover California's Basic Inspection of Terminal (BIT) Program requirements for terminal inspections performed by the California Highway Patrol.
- **Hours of Service (HOS/RODS) – Interstate and Intrastate**
 - You will be provided with understandable, real-world training on the federal HOS regulations, the proper use of driver logs, how to effectively audit logs, and tips to manage your ELD program.
 - **Agricultural Exemptions** is offered as an add on supplemental course.
- **Hazardous Materials Transportation Certification Training (HAZMAT)**
 - This training is mandatory for office and dock workers, as well as drivers. The regulations require the initial training within 90-days of employment and recurrent training once every 3-years. Our course will provide the following mandated training topics:
 - General Awareness/Familiarization Training
 - Security Awareness Training
 - Safety Training
 - Function Specific Training – Drivers
- **Truck Inspection and Maintenance Programs – DOT vs. CHP Requirements**
 - This fast-paced webinar is for the mechanic, maintenance supervisor, and safety manager with maintenance program responsibility during a compliance inspection.

NEW FOR 2022!

- **Accident Management for the Motor Carrier**
 - We will look at some of the steps you need to take to collect records and document the incident post-accident from the perspective of the accident investigator, insurance adjuster, and transportation attorney.
- **Additional Classes Under Development**
 - DOT A to Z Mini Course
 - Open Zoom Call – Get Your Questions Answered by the Panel
