Back by popular demand, we've brought the Women in Trucking Panel to Southern California. If you are a young professional women in trucking or a man in the industry who wants to learn how to become a better ally to women in the workplace, this panel was created just for you!

The panel is made up of four experienced and successful women in the trucking industry. Panelists will share their stories, discuss how they overcome the challenges they face as women in the industry, answer your questions, and much more!
