Contributions to CARGO PAC are not tax deductible for federal or California tax purposes. California state PAC's may accept a maximum of \$7,800 per contributor, per calendar year for candidate support purposes. Corporate Contributions may be accepted and will be used for California elections only. Contributors of \$10,000 or more to CARGO PAC and all other California state or local candidates, PAC's, political party committees or ballot measures in a calendar year must file a California "Major Donor Committee" report as required by law. Membership is valid upon receipt of your contribution. Contributions are non-refundable. Contributions are not deductible as charitable contributions for income tax purposes but may be deducted under other IRS codes.

Consult your tax advisor.
